Computer Science Department List of Ph.D. Awarded

S. No.	Name of Faculty	Topic	Ph.D. Status	Completion Date
1	Dr Deepak Rathore	Performance Analysis of Heart Diesease Identification and Classification using Deep Learning Model	Awarded	08/05/2023
2	Dr. Neeraj Tantubay	Designing and efficient Multi-bio Cryptosystem to secure private and public key infrastructure	Awarded	04/08/2023
3	Dr. Nidhi Singh	Particle Swarm optimization for feature selection to improve performance of Decision tree Classifiers	Awarded	28/02/2023
4	Dr. Parmalik Kumar Kumar	Dynamic Embedding of Digital Watermarking Design Based on Cascaded Neural Network and Optimized Hybrid Swarm Algorithm	Awarded	08/02/2020
5	Dr. Pushpendra Singh Tomar	A Virtual Topology Management IP Over WDM Network	Awarded	09/04/2022
6	Dr. Shweta Chouksey	Segmentation and Statistical Modelling of Retinal Optical Coherence Tomography Images	Awarded	19/11/2021
7	Dr. Sushil Kumar	Generalized Massive Options of Comparassion compared with ASCII	Awarded	28/11/2022
8	Dr. Tripti Saxena	A hybrid Web Recommonder Approach for Recommondation System using Web Based Mining	Awarded	14/12/2020
9	Dr. Vikas Sakalle	Wireless Sensor Network Energy Optimization by Using Soft Computing Techniques	Awarded	08/03/2022
