

Annual Report July 2025 To June 2026

Affiliated to RGPV Bhopal

Approved by AICTE

NBA Accredited

LAKSHMI NARAIN COLLEGE OF TECHNOLOGY, BHOPAL

Institute Vision & Mission

Vision

- To be a premier institute where engineering education and research converge to produce engineers as responsible citizens.

Mission

- To improve continually in the teaching-learning process by strengthening infrastructural facilities and faculty credentials.
- To undertake interdisciplinary research and development by engaging the faculty and students in curricular, co-curricular and industry collaborated projects towards problem solving.
- To enhance proportion of skilled based courses beyond curriculum to create more employable graduates.
- To inculcate human values, ethics, patriotism and responsibility in our outgoing engineers by providing conducive environment.

College Activities – July 2025

The AICTE-ATAL Academy Faculty Development Program on "AI in Healthcare & Biomedical Imaging" concluded successfully at LNCT with a grand valedictory ceremony. The two-week program fostered knowledge sharing, expert interactions, and strengthened the vision for AI-driven healthcare innovation. 26th July 2025

A proud achievement for LNCT Naval Wing NCC as five cadets has been selected for NSC-IGC 2025, Jabalpur, showcasing excellence in seamanship, firing, and drill. Their selection reflects LNCT's commitment to nurturing discipline, leadership, and national service. 23rd July 2025

LNCTTM UNIVERSITY BHOPAL **LNCTTM GROUP OF COLLEGES BHOPAL** **JNCTTM PROFESSIONAL UNIVERSITY BHOPAL** **LNCTTM VIDHYAPEETH INDORE**

Congratulations!

Proud Moment for LNCT Naval Wing NCC!

🇮🇳 Selected for NSC-IGC 2025 | Jabalpur

21st to 30th July 2025

We are thrilled to announce the selection of 5 outstanding cadets from LNCT Naval Wing NCC for the Naval Subunit Inter Group Competition (NSC-IGC)

Saluting their spirit, discipline, and dedication!
Wishing them great success as they represent LNCT with pride at the IGC stage.

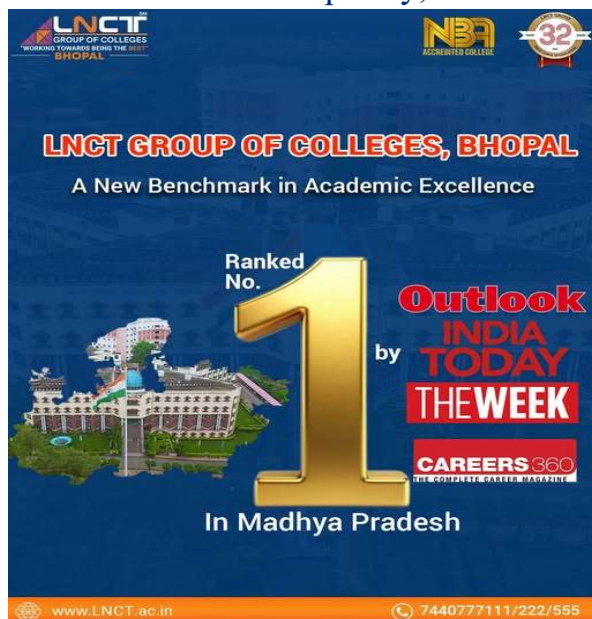

Cdt Adarsh Kumar Pandey **PO. Cdt Sanjeevani Chouhan** **L. Cdt Ayush Chouhan** **L. Cdt Vinayak Sen** **L. Cdt Darshan Jani**

LNCT Bhopal, in collaboration with the AICTE Innovation Center, organized an expert workshop on Intellectual Property Protection and Technology Transfer. The session enhanced participants' understanding of innovation commercialization and the role of IP in academia and industry. 19th July 2025

LNCT Bhopal, Bhopal has been recognized as the No. 1 Engineering College in Madhya Pradesh by leading national ranking agencies, including Outlook, India Today, The Week, and Careers360. This achievement reflects LNCT's continued excellence in academic quality, innovation, and student success. 15th July 2025

Congratulations to our NCC cadets for being selected for the prestigious Ek Bharat Shreshtha Bharat Camp in Mysuru. 07th July 2025

LNCT proudly congratulates Ex Leading Cadet Nikita Pathariya of the NCC Naval Wing on her selection to the Indian Naval Academy (INA), Ezhimala for the SSC GS June 2025 Course through SSB Kolkata. Her achievement reflects LNCT's strong commitment to fostering leadership, discipline, and excellence in defence services. 04th July 2025

College Activities – August 2025

LNCT Bhopal celebrated National Sports Day with a pledge ceremony, inspiring students and faculty to embrace fitness, discipline, and the spirit of sportsmanship. The initiative reaffirmed the institution's commitment to fostering a healthy, active, and value-driven campus culture. 30th August 2025

LNCT Bhopal signed a Letter of Understanding (LoU) with WWF-India to strengthen environmental awareness, sustainability, and student-led conservation initiatives. The collaboration will empower students through volunteer-driven activities, leadership opportunities, and responsible environmental stewardship. 29th August 2025

LNCT Bhopal successfully organized Gyanarambh 2K25 – Orientation Day 4 to welcome the new batch of B.Tech (AIML) students. The program inspired students to embrace innovation, build future-ready skills, and begin their engineering journey with confidence and enthusiasm. 22nd August 2025

LNCT Bhopal celebrated the 79th Independence Day with great patriotism, paying tribute to the National Flag and the spirit of the nation. The celebration reaffirmed the institution's commitment to unity, responsibility, and nation-building. 15th August 2025

College Activities – September 2025

Shri Rakesh Kumar Ganju, Assistant Director, AICTE, visited the AICTE-IDEA Lab, Drone Lab, and EV Lab at LNCT Bhopal and interacted with students. He appreciated the innovative projects and encouraged young innovators to pursue research and technology-driven solutions. 29th Sept. 2025

The Department of Engineering Physics, LNCT, Bhopal, organized an Essay Competition for the B.Tech First Year Engineering students of the LNCT Group of Colleges on 26/09/2025 during the afternoon session. The activity was organized under the theme - “VIKSIT BHARAT-SEVA PAKHWADA ABHIYAAN”. The following topics were chosen for the competition. “Role of Science, Technology and Innovation in Viksit Bharat”. The activity received enthusiastic response from the students. 27th September 2025

The Department of Electronics & Communication, LNCT Bhopal, organized an expert lecture on Artificial Intelligence, Machine Learning, and Deep Learning in association with the IEEE Student Branch STB-14281. The session by Dr. Rahul Chaurasiya (MANIT Bhopal) provided students with valuable insights into emerging AI technologies and their real-world applications. 26th September 2025

Expert Lecture on the date of 19 September 2025, the topic was” Carrier after B.Tech” has been taken by Dr Shankar Kumar, Professor & HOD of Department of Mechanical Engineering. In this Expert Lecture expert explain the scope and future of GATE, ESE, SSC ISRO, DRDO and other competitive examination for Mechanical Engineer. He also guided the students how to the prepare, how to make the planning, what is the strategy must be develop and follow. He also explain the how to make the notes, short notes and study material. This expert lecture has been attended by III Sem students. They also learn how to do the time management and focus memorized technique for the competition. That is very helpful for the students for focusing the exam. 26th September 2025

The Department of Mechanical Engineering, LNCT Bhopal, successfully concluded the ANSYS Training Program with hands-on learning in CFD and engineering simulation tools. The program enhanced students' practical skills in Mechanical and Civil Engineering applications, culminating in a valedictory session highlighting their learning outcomes. 25th September 2025

Garbotsav 2025 – Day 2 at LNCT Bhopal witnessed vibrant celebrations, cultural enthusiasm, and energetic student participation. The event strengthened the spirit of togetherness while celebrating tradition, talent, and campus life. 24th September 2025

Garbotsav 2025 – Day 1 at LNCT Group of Colleges commenced with vibrant celebrations, colorful performances, and enthusiastic student participation. The event marked the beginning of a festive journey, fostering cultural spirit, unity, and unforgettable campus experiences. 22nd September 2025

LNCT Bhopal achieved remarkable success at the 10th Chapter Convention on Quality Concepts (BCCQC-2025), with its teams winning 3 Gold Medals and 2 Silver Medals. The achievement highlights the innovation, creativity, and excellence of LNCT students and startups in promoting quality-driven solutions. 22nd September 2025

The Departments of CSE, AIML, AIDS, and IoT at LNCT successfully organized a two-day workshop on "Vidya AI: Equipping Students for an AI-Powered Future." The workshop enhanced students' AI knowledge and practical skills, preparing them for emerging opportunities in the rapidly evolving technology landscape. 13th September 2025

Workshop on "Vidya AI: Equipping Students for an AI-Powered Future"

LNCT Bhopal successfully organized the Smart India Hackathon 2025 Induction Program under the banner of the Hackathon Club, inspiring students to embrace innovation and problem-solving. The session encouraged young innovators to collaborate and develop impactful technology-driven solutions for real-world challenges. 11th September 2025

The Department of Electronics & Communication Engineering, LNCT Bhopal, successfully organized a two-day workshop on Python Programming and Image Processing. The workshop provided students with hands-on exposure to image processing techniques and their practical engineering applications. 10th September 2025

LNCT Group Secretary Dr. Anupam Chouksey was felicitated at the International Bundeli Conclave 2025 in Bhopal for his outstanding contribution to the field of education. The honour, presented by eminent dignitaries, reflects LNCT Group's continued excellence and leadership in higher education. 09th September 2025

The Department of Electronics & Communication Engineering, LNCT Bhopal, in association with the IEEE Student Branch (STB-14281), organized a two-day hands-on workshop on "Python with Image Processing." The workshop equipped students with practical skills in Python-based image processing through expert-led sessions and real-world applications. 08th September 2025

LNCT Bhopal and LNCT University have once again secured their place in the NIRF Rankings 2025, reaffirming their commitment to excellence in higher education. This achievement reflects LNCT Group's continued focus on academic quality, innovation, research, and student success. 06th September 2025

The banner features a dark red background with a subtle star pattern. At the top left is the LNCT Group of Colleges Bhopal logo, and at the top right is the LNCT University Bhopal logo. In the center, the NIRF logo is displayed above the text 'Rankings 2025'. Below this, two columns of text highlight the achievements of LNCT Bhopal and LNCT University. At the bottom, a photograph of the LNCT University campus is shown.

CARNIVAL

एलएनसीटी कॉलेज में ब्रिंगिंग कॉस्प्ले टू लाइफ का आयोजन

चेनसॉ मैन, स्पाइडर मैन और जेराल्ट ऑफ रिविया जैसे किरदारों में ढल के आए स्टूडेंट्स

सिटी रिपोर्टर: एलएन सीटी ग्रुप ऑफ कॉलेजों में ब्रिंगिंग टू लाइफ - कॉस्प्ले का आयोजन किया गया। इस आयोजन में स्टूडेंट्स अपने पसंदीदा चरित्र, एलियन, गैंग और कॉस्मिक कैरेक्टर को जल केसर लेकर कैम्पस पर घूमे जिससे सभी को मनोरंजन की दुनिया में डुबो दिया।

कॉस्प्ले, एलियन और रॉबोट रोबोट्स पर आयोजित यह कॉस्प्ले कॉन्फ्रेंस 3000 से अधिक स्टूडेंट्स शामिल हुए। इस अवसर पर रफा-दफावा और जल का अलगाव प्रदर्शन को देखा। सबसे खोज के दौरान जहां जॉर्ज वेल्स मैम, अल्फर वेम और स्पाइडर मैम काफिर पहुंचे, वहीं रॉबोट कैरेक्टरों के पहने छात्रों ने पॉपको, क्रैक और वेल्स जैक रॉबोट जैसे कैरेक्टरों में ड्रेसकर सबका ध्यान खींचा। एलियन लवर्स में काले ड्रेसवर्क, बिस्कि ने पोपू, ओ बिस्कि ने लुनी का रूप धारण कर अपने पसंदीदा कैरेक्टर को जी लिया। अलग-अलग कैरेक्टरों में ड्रेस में आए एक दिन के लिए सभी कॉलेजों की दुनिया में आए और वे, जहां हर बहोतुल्य, हर एक्साइटेशन और हर चीज में इस कॉन्फ्रेंस को महान बन दिया।

परेड से शुरू हुई कॉसप्लेयर कॉन्फ्रेंस

कॉसप्लेयर कॉन्फ्रेंस की शुरुआत परेड से हुई, जिसमें छात्रों ने अपने पसंदीदा कैरेक्टर के रूप में ड्रेस-अप किया। कैम्पस पर, संगीत और ड्रमबेज से भर उठा कार्यक्रम में मुख्य अतिथि के रूप में एलएनसीटी समूह एलियन की अनुपम चौकरी और पॉपकॉस्मेटिक ड्रामासेक्टर की लोना चौकरी मौजूद रहें। कॉसप्लेयर जीवन में सुवाहनी, एलियन और रॉबोट कैरेक्टरों के लवदार रूपों ने छात्रों को प्रभावित कर दिया। परेडेंस बूथ, कलाकृतियाँ, स्टाफ बैंड और स्टाडिओ ग्रांड स्टैंडमेंट ने माहौल को और जीवंत बन दिया। कॉन्फ्रेंस में अमेरिकन सर्वरोंस और गैस ने छात्रों को टैमकके और डिप्टिडिटी का अनुभव दिया।

Dr. Vipin Shrivastava, Associate Professor, Department of Mechanical Engineering, LNCT Bhopal, has published a research paper titled “A Decade of Progress in Indirect Solar Drying” in the prestigious Q1 journal, Renewable and Sustainable Energy Reviews. This achievement highlights LNCT's continued commitment to high-impact research, innovation, and global academic excellence. 15th October 2025

The certificate is a vertical rectangular document with a light gray background and a subtle geometric pattern. At the top left is the LNCT logo, which includes the text 'LNCT GROUP OF COLLEGES BHOHAL' and a tagline 'WORKING TOWARDS BEING THE BEST'. At the top right is a red and white badge that reads '1 THE WEEK INDIA TODAY Outlook NO. 1 BY CAREERS 360'. The main title 'Faculty Achievement' is in large, bold, orange letters. Below it, the college name 'Lakshmi Narain College of Technology, Bhopal' and department 'Department of Mechanical Engineering' are listed in black. A cursive 'Congratulations' message is centered above a circular portrait of Dr. Vipin Shrivastava. Below the portrait, his name 'Dr. Vipin Shrivastava' is written in bold black, followed by his title 'Associate Professor, Department of Mechanical Engineering'. To the left, the research title is quoted: 'A Decade of Progress in Indirect Solar Drying: A Review of Systems for Fruits, Vegetables, and Medicinal Herbs (2015-2025)'. Below this, it states 'Published In: Renewable and Sustainable Energy Reviews' and 'Q1 Journal | Impact Factor: 16.3'. To the right is a small image of the journal cover, which features the title 'RENEWABLE AND SUSTAINABLE ENERGY REVIEWS' and a picture of wind turbines. At the bottom, a congratulatory message reads: 'Your dedication to impactful research continues to inspire the LNCT community and strengthens our legacy of academic excellence, innovation, and global recognition.' The footer is an orange bar containing the website 'www.LNCT.ac.in' and a phone number '7440777111/222/555' with a phone icon.

Students of the CSE, AIML, AIDS, and IoT Departments at LNCT Bhopal participated in an industrial visit to CRISP, Bhopal, gaining practical exposure to Data Science, Cyber Security, DMIT, and advanced multimedia technologies. The visit bridged the gap between classroom learning and industry practices, enhancing students' technical knowledge and professional readiness. 15th October 2025

Students of the Department of Electronics & Communication Engineering, LNCT Bhopal, in association with the IEEE Student Branch STB-14281, visited the Airport Authority of India (AAI), Bhopal Airport. The industrial visit provided valuable practical exposure to aviation technology, communication systems, and airport operations, enriching students' industry-oriented learning. 14th October 2025

The Department of Electronics & Communication Engineering, LNCT Bhopal, organized an educational visit to IISER Bhopal for 3rd-semester EC/ACT students. The visit enriched students with exposure to advanced research facilities, scientific innovation, and interdisciplinary learning, fostering a strong research-oriented mindset. 13th October 2025

LNCT Bhopal organized a vibrant cultural evening on **11th October**, celebrating devotion, creativity, and artistic excellence through bhajans, classical dance, poetry, and musical performances. The event fostered cultural values, student talent, and festive spirit, creating a memorable experience for all participants. 13th October 2025

Carnival 2025 at LNCT Bhopal transformed the campus into a vibrant celebration of creativity, featuring spectacular cosplay, cultural performances, interactive workshops, and engaging student activities. The event showcased student talent, innovation, and the dynamic campus culture that defines LNCT. 11th October 2025

The Departments of CSE, AIML, AIDS, and IoT, LNCT Bhopal, organized an industrial visit to CRISP, Bhopal, providing 3rd-semester students with hands-on exposure to Data Science, Cyber Security, DMIT, Multimedia, and advanced security technologies. The visit strengthened industry-academia interaction and enhanced students' technical skills through practical learning experiences. 08th October 2025

The LNCT Naval Wing NCC proudly showcased its commitment to leadership, discipline, and nation-building during AINS-C 2025. The participation reflected the cadets' unwavering spirit of service, courage, and excellence, bringing pride to the LNCT family. 08th October 2025

The Department of Civil Engineering, LNCT Bhopal, successfully organized an expert lecture on "Advanced Strategy", offering students valuable industry insights and practical knowledge. The session broadened students' understanding of modern engineering practices and emerging trends in the civil engineering domain. 08th October 2025

The Cleanliness Campaign organized by LNCT Bhopal's NSS Volunteers and NCC Naval Wing Cadets on 2nd October received media recognition for promoting the spirit of "Swachhta Hi Seva." The initiative reinforced the values of cleanliness, social responsibility, and Mahatma Gandhi's vision of a cleaner and healthier India. 05th October 2025

Winning on the field and making headlines, our students continue to bring pride to the institution through their outstanding sporting achievements. Their dedication, discipline, and perseverance have led to remarkable victories at prestigious competitions, earning well-deserved recognition in the media and inspiring the entire LNCT community to strive for excellence both on and off the field. 13th February 2026

LNCT Bhopal proudly hosted the RGPV Nodal Kho-Kho Tournament (Men/Women) 2025–26, providing a platform for exceptional sporting talent and competitive excellence. **The tournament celebrated teamwork, discipline, and sportsmanship as student-athletes delivered outstanding performances, bringing laurels and pride to the institution. 07th February 2026

Honoured to welcome Mr. Niklaus Samuel Gugger, Member, National Council – Swiss Parliament, to our campus. An inspiring interaction focused on collaboration, innovation, and expanding international opportunities for our students. Stronger partnerships. Wider horizons. Greater impact. 07th February 2026

एल.एन.सी.टी. भोपाल के आर्यभट्ट ऑडिटोरियम में आयोजित 'महिला संवाद' कार्यक्रम में हजारों मातृशक्ति की सहभागिता के साथ *विकसित भारत बजट 2026-27* एवं महिला सशक्तिकरण पर सार्थक विचार-विमर्श किया गया। इस आयोजन ने महिलाओं को जागरूक करने, उन्हें विकास की मुख्यधारा से जोड़ने तथा राष्ट्र निर्माण में उनकी सशक्त भागीदारी को प्रोत्साहित करने का महत्वपूर्ण संदेश दिया। 06th February 2026

Proud moment at the inauguration of the NIIT Foundation Skill & Career Development Center (CDC), LNCT Bhopal ✨ An initiative aimed at bridging the gap between education and industry 💡 Driving skill development, employability enhancement, and career readiness Together, shaping a skilled and future-ready workforce. 03rd February 2026

College Activities – March 2026

Faculty members of the Department of Electronics & Communication Engineering, LNCT, achieved a significant academic milestone with the publication of the book *Digital Circuit and Embedded System*, aligned with the LNCTU and RGPV curriculum. 31st March 2026

The Department of Electronics & Communication Engineering, LNCT, organized a one-day educational visit to IISER Bhopal, providing EC/ACT VI Semester students with valuable exposure to advanced research and emerging technologies. Through interactive sessions and visits to state-of-the-art EECS laboratories, students enhanced their academic understanding and gained insights into real-world scientific and technological innovations. 24th March 2026

A proud moment for LNCT as Ex-NCC Naval Wing Cadet Arti Thakur, Batch 2025, has been selected for SSCW (Tech-66) in the Indian Army and is set to join the Officers Training Academy, Gaya. Her achievement reflects the dedication, discipline, and leadership nurtured at LNCT, inspiring future cadets to serve the nation with pride and commitment. 19th March 2026

A proud milestone for LNCT as Ankita Shrivastava, Piyush Bhatia, and Anshul Gurjar successfully completed the prestigious 6-week advanced training and internship programme on 5G/5G-Advanced/6G technologies at the National Communications Academy–Technology (NCA-T), under the Department of Telecommunications, Government of India. With 3 of the only 7 students selected nationwide representing LNCT, this achievement reflects the institution's excellence in technical education, innovation, and national-level recognition. 18th March 2026

A group of nine people, including faculty and students, are standing in a hallway. They are holding a large certificate that reads "ROBO WARRIOR - ROBO FIGHT 1st RUNNER UP Nova Warrior Team (Thousandth Runner Only)". The certificate also mentions "LAKSHMI ENGINEERING COLLEGE" and "NAVONMESH 2026".

Student Testimonial

Name : Aditi Sijariya
College : LNCT CSE AIML
Company : TCS Prime
Package : 9 LPA

I feel extremely happy and proud to share that I have been placed in TCS Prime with a package of 9 LPA. My journey throughout college has been full of learning, growth, and valuable experiences that helped me improve both personally and professionally. The support and guidance provided by the training and placement department, along with the constant encouragement from faculty members, helped me stay motivated and confident throughout the placement process. The aptitude training sessions, coding practice, technical guidance, and mock interviews played an important role in improving my technical knowledge, communication, and problem-solving skills. I am truly grateful to LNCT for providing such a positive learning environment and excellent career opportunities. I would advise my juniors to stay focused, consistent, and believe in themselves because hard work always leads to success.

Student Testimonial

Name : Sadgi Sharma
College : LNCT CSE AIML
Company : EPAM Systems
Package : 8.5 LPA

I am extremely happy and proud to share that I have been placed at EPAM Systems with a package of 8.5 LPA. This achievement marks an important milestone in my journey, and I am truly grateful for all the support and guidance I received throughout the placement process. I would like to sincerely thank my college for providing a strong learning environment and continuous encouragement at every stage. The training programs, coding practice sessions, mock interviews, and guidance from faculty members played a major role in improving my technical knowledge as well as communication skills. The constant motivation and support from my teachers, mentors, and friends helped me stay confident and prepared to face every challenge during the recruitment process. Their valuable guidance and encouragement have contributed greatly to my growth, both personally and professionally. I am thankful to my college for creating opportunities that help students learn, grow, and achieve their career goals. I look forward to beginning this new journey with enthusiasm and dedication.

Student Testimonial

Name : Akshat Jain
College : LNCT CSE AIML
Company : EPAM Systems
Package : 8.5 LPA

I feel extremely happy and proud to share that I have been placed in EPAM Systems with a package of 8.5 LPA. My journey throughout the placement process has been a great learning experience, and I am truly grateful to my college for the continuous support and guidance provided at every stage. The training sessions, coding practice, mock interviews, and mentorship from faculty members helped me strengthen my technical as well as communication skills. The encouragement and motivation from teachers and peers boosted my confidence and prepared me to face challenges effectively. I sincerely thank my college for creating such a positive learning environment and giving students the right opportunities to grow and

Student Testimonial

Name : Disha Jain
College : LNCT CSE AIML
Company : Infosys (HWT)
Package : 6.25 LPA

My placement journey consisted of multiple stages. The first round was an online coding assessment where my problem-solving and programming skills were tested. After qualifying, I was shortlisted for the second stage, which included an additional coding assessment and interview round conducted at Infosys. The entire journey was both challenging and exciting, and it helped me learn the importance of consistency, confidence, and continuous improvement. The learning and placement support provided by our college played a vital role in helping me achieve this opportunity. The faculty members were always supportive, motivating, and motivated me at every step of my preparation journey. The hands-on sessions, coding practice, mock interviews, aptitude training, and continuous guidance greatly helped me improve my technical skills, communication abilities, and overall confidence. I am truly thankful to LNCT for providing such an excellent learning environment, countless growth opportunities, and consistent mentorship. The college not only helped me build strong technical knowledge but also prepared me to face real
