

Publicity Report Jan -Dec 2023

S.No.	Date	Activity Name	SDG	Relevant SDG	SDG Justification
1	21-22 Jan 2023	Student Innovation Festival at MANIT	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Promotes innovation, creativity, technical learning and problem-solving among students.
2	02-Mar-23	National Science Week – Expert Talk on Drone Applications	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Provides exposure to emerging drone technology and encourages scientific and technological learning.
3	02-Mar-23	Innovative Idea Presentation under IEEE Student Branch	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Develops innovation, creativity, technical communication and research-oriented thinking.
4	18-Mar-23	Electronics Innovation Hunt	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Encourages hands-on learning, electronics innovation and engineering problem-solving.
5	08-Apr-23	Virtual Lab – Application of Analog Circuit and Analog Communication	SDG 4	Quality Education	Provides technology-enabled practical education and improves students' experimental skills.
6	06-May-23	Industry Visit – DRM Bhopal	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Connects classroom concepts with real industrial engineering systems and infrastructure.

7	13-May-23	Expert Talk and MOU – Workshops, Industrial Training, Visits & Internships	SDG 4, SDG 8, SDG 9	Quality Education; Decent Work & Economic Growth; Industry & Innovation	Strengthens industry–institute interaction, employability, internships and practical skills.
8	17-May-23	Online Webinar – Road Map to DSA and IEEE Membership Drive	SDG 4, SDG 8	Quality Education; Decent Work & Economic Growth	Develops programming knowledge, professional skills and career readiness.
9	20-May-23	Orientation Programme – LNCT IEEE Student Branch	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Promotes professional development, technical activities, innovation and knowledge sharing.
10	04-Sep-23	Seminar – Industry Automation and IoT 4.0	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Provides knowledge of Industry 4.0, automation and IoT technologies relevant to modern engineering.
11	04-Oct-23	Expert Lecture – Significance of IEEE	SDG 4, SDG 8	Quality Education; Decent Work & Economic Growth	Promotes professional development, lifelong learning and awareness of engineering professional practices.
12	19-Dec-23	Industry Visit – ISRO Office, Bhopal	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Provides exposure to advanced space technology, research and engineering applications.
13	03–04 Oct 2023	Project Exhibition Competition	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Encourages project-based learning, creativity, innovation and practical engineering skills.
14	30 Jun–01 Jul 2023	National Conference – Recent Advances in Electronics Engineering & Technology	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Promotes research, knowledge exchange and dissemination of recent technological developments.
15	27-Oct-25	Orientation Programme – Robotics Club	SDG 4, SDG 9	Quality Education; Industry, Innovation & Infrastructure	Encourages robotics education, innovation, teamwork and hands-on technical learning.
