STUDENT ACHEIVEMENT

SESSION: 2024-25

Codeverse contest- CodeVerse 2025 was a dynamic and engaging coding event conducted by TechVilla with LNUniverse on 3rd May 2025. The event brought together enthusiastic coders from across the campus for a day dedicated to learning, competition, and networking. The competition was designed with two rounds catering to participants of different skill levels. Both rounds provided an excellent opportunity for students to test their skills, learn new concepts, and interact with peers through collaborative problem-solving. The event saw enthusiastic participation from students across various departments. Participants appreciated the balance between challenge and accessibility, allowing both beginners and advanced coders to compete and learn effectively.
