Other Hackathon Achievements

NIDAR - 2026

Two students, Skand Varma and Sunney Kumar from CSE–IoT, LNCT, secured the Second Position and won a cash prize of ₹4,00,000 under the mentorship of Dr. Vivek Richhariya, held at Gautam Buddha University, Greater Noida, from 11–17 January 2026.

The National Innovation Challenge for Drone Application & Research (NIDAR) is India's largest national drone innovation challenge, hosted by the Ministry of Electronics and Information Technology (MeitY) and the Drone Federation of India (DFI) under the SwaYaan initiative .

NIDAR motivates students and researchers from academia to build collaborative autonomous drones to solve real-world problems in disaster management and precision agriculture. With ₹40 lakhs in prizes, startup incubation opportunities, and industry mentorship, NIDAR equips students with hands-on skills and career opportunities in India's growing drone sector .

Kriyeta National Hackathon - 2024

Congratulations to Team Vidhyut for achieving Second Runner-Up Position under at the Kriyeta National Hackathon, sponsored by DSIR (Department of Science and Industrial Research) India!

They also earned a prestigious prize of Rs. 25,000/- after competing against 31 teams (including 5 teams from our LNCT Campus) in the intense 48-hour competition at Acropolis, Indore. This is a remarkable achievement! 🎉

Bharat Billion Impact Challenge

The FarmCS team has secured the first runner-up position in the national-level competition, BBIC (Bharat Billion Impact Challenge), held at Art-Park IISc Bengaluru.

Team Leader: Abhishek Maurya (IOT-VA)

Team Members:

- Abhinav Jain (IOT-VA)
- Alka Mishra (IOT-VA)

Recently, on the 18th and 19th, 2024 the Bharat Billion Impact Challenge (BBIC) took place at IISc Bengaluru. Out of nearly 150 teams from across the country, only 16 teams had the opportunity to pitch their startup ideas at IISc Bengaluru, and we were one of them from the Bhopal region (LNCT College).
