

Name - Yashvardhan Singh

College –LNCT BPL , ME

Company- Schneider Electric

Package-5.5

I am truly grateful to LNCT Bhopal and the Training & Placement Department for supporting me throughout my placement journey. The guidance, training sessions, mock interviews, and continuous motivation from the TnP team helped me improve my confidence and prepare well for the recruitment process.

The college provided a positive learning environment where I was able to develop both technical and communication skills. The support from faculty members and placement coordinators made the entire journey smoother and more motivating.

Getting placed was a proud and memorable moment for me, and I genuinely appreciate the efforts LNCT puts into shaping students' careers. Proud to be a part of LNCT Bhopal.

Thanks & Regards,

Yashvardhan Singh
